01 | Welcome

Thanks for choosing Discovery Insure. Discovery Insure offers a unique insurance product that gives you greater control over your insurance benefits, premium and rewards.

Your Discovery Insure Plan

Your Discovery Insure Plan gives you cover for a range of car and household assets with options to tailor the cover to meet your needs. We use the money you pay as premiums to pay for the benefits described in your Plan Guide and Plan Schedule if you suffer a financial loss arising from an insured event.

This document will help you understand the finer details of your Discovery Insure Plan

It is important that you fully understand the protection given to you for the benefits you have chosen. If you want to enjoy full cover at all times, it is important that you follow the terms, conditions, exclusions, exceptions and endorsements of your Plan. Please read this Plan Guide carefully as it explains the terms and conditions of your cover. We may update this guide from time to time. We will let you know when we make any changes but it is your responsibility to keep up-to-date with these changes as they may affect your benefits.

This Plan Guide is effective from 1 April 2017.

Terms and conditions of your Plan

All the information you need on the benefits Discovery Insure offers is in this Discovery Insure Plan Guide. Details of your chosen Discovery Insure benefits are in your Plan Schedule. More details on these benefits are in the annexures to your Plan Schedule. This Plan Guide refers to the terms and conditions of the Vitalitydrive benefit. An overview of the Vitalitydrive terms and conditions is on www.discovery.co.za (from here on referred to as the website). You need to read the Plan Guide and Plan Schedule together, including the annexures and website terms and conditions, as they make up your whole Discovery Insure Plan. If the terms and conditions in the Plan Guide, Plan Schedule and on the website conflict, what the Plan Guide states will apply. You must always follow the terms and conditions of your Plan. You may lose your benefits if you do not.

You will receive an updated Plan Schedule after important changes to your benefits

The updated Plan Schedule will replace the old version of the Plan Schedule. It is important that you check each Plan Schedule carefully, including the annexures, to ensure that the assets you have insured and the benefits you selected are correct. You must let us know if these are not correct.

In this guide, we will use the symbol ☺ to show you when you should refer to your Plan Schedule and annexures for more details on your benefits.

03 | About your Discovery Insure Plan

3.1 | What can I insure on my Discovery Insure Plan?

You can insure motor vehicles and household assets like buildings, furniture, appliances, clothing and electronic devices that belong to you, the people who live with you or the people who are financially dependent on you. You must have an insurable interest in the assets you cover on your Plan.

This means that if the assets on your Plan are lost, stolen or damaged you will suffer a financial loss. The assets that you insure under this Plan must be permanently located in South Africa.

3.2 | When does my cover start?

If you have paid your premium and you have given us all the information we need from you, your cover will start on the date shown on your Plan Schedule ☺. We may choose to void or cancel your cover if you mislead us, do not pay your premium or fail to give us the information needed.

3.3 | Which period do my premiums relate to?

Your premiums are collected in advance and are used for your cover for the following month. You will be billed for any premiums due between the date the Plan starts and the next premium due date, at the start of your cover.

3.4 | How long will my Plan be valid for?

Provided that we receive your premium, your Plan remains in force and will be automatically renewed from month to month. You may cancel your Plan at any time.

3.5 | What if I make changes to my cover?

You can make changes to your Plan at any time. You will be given a replacement Plan Schedule ☺ when you make changes to your Plan, which will show the date when the changes you have made will take effect. Check the new Plan Schedule ☺ carefully to make sure that the assets you've insured and the benefits you've selected are correctly recorded on it. We will use the version of the Plan Schedule ☺ in effect at the time of the loss to determine your benefits when you claim.

3.6 | What if I cancel my Plan?

You may cancel your Plan at any time. You will not be covered after the date of cancellation. You will forfeit any rewards that may have been earned but not paid during the period before cancellation. We will collect any outstanding premiums that may be due before we cancel your Plan.

3.7 | Consent

Sharing of claims and underwriting information by insurers is important. It helps the insurance industry to underwrite and assess risks fairly. It benefits you to help stop fraudulent claims and to keep premiums as low as possible.

The consent you give Discovery Insure means you allow us to check any insurance information provided by you or on your behalf for any insurance policy or claim made or lodged by you and any person covered under your Plan. This allows us to share this information with other insurance companies or their agents. The information that you provide to us will be treated as confidential. Please be aware that this information may be used and checked against other legitimate sources or databases. You also agree to let Discovery Insure check your details with a registered credit bureau of our choice for underwriting purposes.

3.8 | How we use your DQ-Track data

We will not use your DQ-Track data (smartphone-enabled or standalone) for purposes of approving claims. We will use the information to verify time and location of an incident. We may use the information for general risk management and underwriting purposes to ensure that you receive the best cover possible.

04 | Important definitions

Loss or damage from any accidental event.

Building

Building is the immovable structure, that includes the main building and outbuildings, whether attached to the main building or not, including all fixtures and fittings at the risk address and constructed as shown in your Plan Schedule ☺. The following structures will be taken as part of the building: paths; driveways constructed of brick; concrete; paving, asphalt or stone (not gravel); walls, gates and fences (excluding hedges); swimming pools, filters, pumps; tennis courts; geysers; solar panels; boreholes and water tanks for domestic use; septic tanks; sauna and spa baths; aerials and satellite dishes; as well as water, sewerage, gas, electricity and telephone connections.

A vehicle that is not self-propelled, but needs to be towed by a motor vehicle and is used for private and leisure purposes. Self-propelled caravans and similar vehicles are defined as motor vehicles.

Credit provider

The financial institution with which you have a credit agreement.

Date of loss

This is the date of the incident. This must happen during the period you have cover with us.

Day / days

Ordinary calendar days, including weekends and public holidays.

Driver Quotient (DQ) Points

Essential, Classic and Executive Plans

Driver Quotient points are the mechanism that Discovery Insure uses to measure your driving behaviour and to determine your status on the Vitalitydrive benefit. Discovery Insure will use these points to calculate your fuel rewards. Each DQ Point you earn enables you to get fuel rewards on R1 of fuel or Gautrain spend, or both.

Dynamic Plan

Driver Quotient points are the mechanism that Discovery Insure uses to measure your driving behaviour and to determine your premium.

DQ-Track

This is the device that is used to measure your driving behaviour for the Vitalitydrive benefit and can be either:

- Smartphone-enabled

Notional and notionally allocated

Notional or notionally allocated is the term we use when we refer to the amount we accumulate to your Excess Funder Account. Because this amount does not actually change hands, it is referred to as a notional allocation, although it is available to you when you have a valid claim and if you wish to withdraw a portion after every third anniversary of your Plan.

Period of insurance (also cover period)

The period of time we agree to insure you as stated in the Plan Schedule ☺ or any agreed renewal period. This is subject to us receiving your premium on or before the premium due date.

The Plan Schedule includes annexures that give you extra information, such as the Benefit Limit Annexure and Excess Annexure, but is not limited to these annexures.

Premium

The amount you must pay to receive cover as stated in the Plan Schedule ☺. This may change from time to time. This premium must be paid at the start of each period for which you want cover. The premium must be paid monthly in advance, on or before the date as stated in the Plan Schedule ☺.

Primary driver

The person who drives or is in control or in possession of the vehicle most often and is premium rated accordingly. The name of the primary driver is stated in your Plan Schedule ☺. Please let us know if the primary driver changes at any time, as it may affect the premium and the outcome of a claim.

Retail value

For vehicles, retail value is the value that the vehicle can generally be bought for, from a recognised member of the motor vehicle trade industry. This value is obtained from the Auto Dealer’s Guide published by Transunion Auto Information Solutions (Pty) Limited, or any similar publication approved by us and adjusted for mileage and condition. For watercraft the value of the boat as detailed in the Plan Schedule ☺ at the time of the loss or damage.

Rewards Fund (Young Adult benefit)

A fund created for the Young Adult benefit where primary drivers younger than 26 can accumulate up to 25% of their motor vehicle premiums every six months. This amount can increase or decrease based on how well they drive. At the end of every six months the amount in the fund will be paid out into the nominated bank account.

The amount that you must pay your credit provider at the date of loss to settle your outstanding balance in terms of your credit agreement. Any arrear instalments, interest and/or finance charges on these arrear instalments will be excluded from your outstanding balance.

It rewards you for being a good driver. When you take up the benefit, you get a Vitalitydrive card on the Essential, Classic and Executive Plans. Chosen service providers are part of the Discovery Insure fuel network and they will accept your Vitalitydrive card.

Vitalitydrive is compulsory on the Dynamic Plan and optional on the Essential, Classic and Executive Plans.

An additional monthly premium is payable for the Vitalitydrive benefit.

If you have chosen the Vitalitydrive benefit, the terms and conditions of this benefit will apply to you. The terms and conditions are available on www.discovery.co.za. You accept that the terms and conditions apply to you and all drivers registered on the Vitalitydrive benefit.

The terms and conditions, including those on www.discovery.co.za, form part of your Plan and are legally binding.

05 | Important conditions

The following conditions apply to all sections of your Plan, unless they are varied by specific conditions, exclusions or exceptions stated under a particular section:

5.1 | Amendments

We may amend, endorse or limit cover in terms of your Plan at any time by giving you 30 days' written notice. Any change/s you make will be effective from the time and date agreed to.

5.2 | Assets must be located in South Africa

Your vehicle must be registered in the Republic of South Africa. Other assets that you insure under your Plan, must be registered and/or permanently located within the borders of the Republic of South Africa. The relevant section may be voided from the start and any premium and benefits paid, refunded if we find this to be false at any time.

5.3 | Automatic increase of sum insured

The sum insured under household contents, buildings, general clothing and personal effects, may be increased automatically on the anniversary date of your Plan. This does not change your duty to make sure that the sum insured represents the correct replacement value at all times.

5.4 | Average / under-insurance

You must insure your household contents and building for the correct value. The correct value is the total, current replacement cost of your insured property. This is listed as the sum insured on your Plan Schedule ☺. If at the time of any loss or damage, the amount which is needed to replace all your insured property with similar and/or new property is more than the amount it is insured for, you will be expected to bear your share of the loss or damage for the difference.

For example: If the correct replacement value of your household contents is R600 000 and you have insured it for R300 000 and you have a loss of R100 000, you will only be compensated for 50% of your loss (or R50 000).

5.5 | Breach of conditions requiring your assistance

We reserve the right to cancel your Plan and claim repayment from you for any amounts we have paid in settlement of your claim if you breach or fail to comply with our claim procedure and the rules set out in this Plan Guide.

5.6 | Cancellation

You may cancel your Plan or any section thereof at any time. We may cancel your Plan or a section thereof by giving 30 days' written notice.

5.7 | Change of your details

You must inform us immediately if there are any changes to the risk details. These changes are not limited to a change in your risk address or primary driver details.

Continued cover and calculation of your premium is based on the specific risk information that you give us. If you present a different version of your risk to us to get cover, to reduce premiums or for any other reason, this may count against you in the event of a loss.

5.8 | Conditions relating to your cover

You will not have cover, unless:

- You comply with the claims procedure set out in your Plan; and
- You have followed all the terms and conditions of your Plan and any endorsements that might be contained in the Plan Schedule ☺; and
- You can provide acceptable documentary, evidentiary or quantifiable proof of the existence of and your lawful right to the item you are claiming for; and
- You install all stipulated minimum and additional security and/or tracking/recovery devices and maintain these and all other declared security devices in full working order at all times.

5.9 | Correspondence

Any correspondence emailed or posted to you will be considered read, if addressed to your last known email or postal address.

5.10 | Declaring this Plan void

Your Plan or any part of it can be declared void by us if any details which affect our decision to provide cover in terms of this Plan or if any information that would affect our decision to provide you with the cover in terms of this Plan is withheld from us at any time. Should you fail to advise us of any change of any details provided to us, we will have the right to cancel this Plan or the section from the time that the change occurred.

5.11 | Dispute resolution and time bar

If we refuse responsibility, reject a claim, or void your Plan, or if you do not agree with the amount of a claim, you must let us know within 90 days of receiving the letter of rejection, settlement or avoidance. Send your complaint in writing to:

Discovery Insure Complaints

Telephone: 0860 751 751

Email: insureescalations@discovery.co.za

If your dispute is not satisfactorily resolved, you can send a complaint to the Ombudsman for Short Term Insurance (OSTI). See Section 2 for contact details.

Your Plan requires you to serve summons on us within 12 months after receiving the letter of rejection, settlement or avoidance. If you do not do so within this time you will no longer be able to claim the benefit under the Plan.

5.12 | Excess

There may be an excess for every insured event you claim for. This is the amount that you must contribute for your claim to be settled. Look at your Excess Annexure and Plan Schedule ☺ for the excess or excesses applicable.

5.13 | Fraud, misrepresentation and inaccurate information

All benefits in terms of this Plan in respect of any claim will be lost and this Plan may be voided or cancelled at our discretion:

- Where there is misrepresentation, non-disclosure, misdescription by you or anyone acting on your behalf; or
- If false or incomplete information is supplied for any fact and/or circumstance in connection with an application for cover or in connection with a claim in terms of this Plan by you or anyone acting on your behalf; or
- If any claim or part thereof under this Plan is in any way fraudulent, or if fraudulent means or devices are used by you or anyone acting on your behalf to get any benefit under this Plan, or if any insured event under this Plan is occasioned by your intentional conduct or any person acting on your behalf or with your involvement; or
- If any fraudulent information and/or document, whether created by you or any other party is provided to us by you or anyone acting on your behalf or with your involvement in support of any claim under this Plan and whether or not the claim itself is fraudulent; or
- If the size of any claim is inflated by you or anyone acting on your behalf or with your involvement, for any reason whatsoever, and whether the claim itself is fraudulent.

Where any benefit under this Plan is forfeited in circumstances set out in this section, we will have the right to cancel your Plan retrospective to the reported incident date or actual incident date, whichever is the earliest.

5.14 | Interest on damages

No interest will be payable on any amount due by us in terms of your Plan unless a South African court of law orders otherwise.

5.15 | Items covered under a guarantee

Anything covered by any guarantee, service contract, purchase contract or any agreement of any type is excluded from your Plan.

5.16 | Legal jurisdiction

This Plan is subject to South African law and to the jurisdiction of a South African court. We are not liable for any legal costs and expenses not incurred in the Republic of South Africa.

5.17 | Matching building materials

If your building is repaired and we can't get an exact match, we will use materials that match the damaged or lost materials as closely as possible. We will only do this to the part of the building where the loss or damage has occurred. We won't pay for matching building materials to create a uniform effect throughout your building.

5.18 | Method of providing benefits (indemnity) and betterment

We may repair, replace, reinstate or pay cash to you in respect of the amount of damages or, where appropriate, use any combination of these methods. You will have to pay a contribution where the condition and/or value of the insured property is improved as a result of repair or replacement. You will be responsible for the excess. You may need to sign a release or discharge before we finalise a claim.

5.19 | More than one policy

If there is one or more insurance policy in force which covers the same insured event, we will only be responsible for our rateable proportion of the loss.

5.20 | More than one section

You cannot claim under more than one section of this Plan for any insured event, loss or damage that arises from the same event or the same item. You may choose under which section to claim from, if you are entitled to claim under more than one section.

5.21 | Noting of credit provider's interests

Where the insured property is the subject of a credit agreement and disclosed to us, the interest of the credit provider is noted in your Plan. In the event of a claim we will pay the credit provider first, to reduce any amount owed by you. The credit provider's acceptance of the amount will be a discharge of our responsibility for that portion of your claim. Any remaining amount will be paid to you.

5.22 | Pre-inspection of your motor vehicle and motorcycle

If your vehicle is not new, we require an inspection certificate from an approved Discovery Insure service provider. You can also complete your vehicle inspection using the Discovery app on your compatible smartphone. Cover is conditional upon this inspection, as shown in your Plan Schedule .

A new motor vehicle or motorcycle is a vehicle that has been purchased from an approved motor dealer as brand new.

5.23 | Premium payments

You must pay the premium on the due date. If we don't receive your premium on the due date, you will be given a grace period of 15 days from the due date to pay your outstanding premium. You will not be covered during the period that the outstanding premium relates to, until the outstanding premium is paid.

We will lapse your Plan if we don't receive the outstanding premium during the grace period. The grace period doesn't apply to the first premium due to activate the cover. We may lapse your Plan immediately if this first premium is unpaid

We will lapse your Plan without giving you a grace period if you put a stop payment on your premium. We will not be obliged to reinstate your Plan after it has lapsed due to us not receiving your premium.

5.24 | Prescription

We will not be liable for claims submitted to us after 12 months from the date of loss which led to the claim.

5.25 | Prevention of loss

You must take all reasonable precautions for the maintenance and safety of the insured property. This means that you must take reasonable steps to prevent and/or minimise loss, damage, death, injury, liability and accidents. You may carry out emergency repairs to prevent further damage with our consent.

5.26 | Prior loss history

We may base our risk acceptance on your prior loss, incident and claims history. If your statement is false, it is a breach of the Plan and we have the right to treat your policy or any section thereof as voidable or charge backdated premiums.

5.27 | Reinstatement of the sum insured

The sum insured on your Plan will not be reduced by any claims. This condition applies separately to household contents, buildings and general clothing and personal effects.

5.28 | Repairer or supplier of our choice

We have the right to insist that any repair and/or replacement to be carried out must be done at or by a repairer or supplier of our choice.

5.29 | Salvage

You must allow us to take possession of the damaged items covered by this Plan, so we can deal with it in a reasonable manner. You are not entitled to abandon any property whether taken possession of by us or not. In the event of a payment by us for a loss, the salvage and/or any proceeds recovered from the sale of the item/s is ours.

5.30 | Security measures

You must inform us immediately if the required security measures stated in your Plan Schedule ☹ are not met. Failure to do this may influence your claim or premium.

5.31 | Set-off

We have the right to deduct (set-off), from any benefit payment due to you, any amount which you may owe us as a result of any erroneous or overpayment to you and for which you are not entitled to.

5.32 | Territorial limits

The sections in terms of this Plan are limited to insured events occurring in the following territories.

- **Vehicles:** Angola, Botswana, the Democratic Republic of the Congo, Kenya, Lesotho, Malawi, Mozambique, Namibia, Republic of South Africa, Rwanda, Swaziland, Tanzania, Zambia, Zimbabwe.

If the vehicle is damaged outside the Republic of South Africa, repairs other than emergency repairs may only be carried out in the Republic of South Africa.

- **Household contents and buildings:** Risk address situated in the Republic of South Africa.
- **Portable possessions:** Worldwide
- **Personal liability:** Worldwide
- **Watercraft:** Namibia, Mozambique and the Republic of South Africa or their territorial waters (waters extending to a maximum of 20km off their coasts) and Botswana, Lesotho, Swaziland, Malawi, Zambia and Zimbabwe.

5.33 | Time period for repairs and replacements

Repairs and replacements must be completed within 6 months of the date that we approve your claim. If you delay the repairs or replacements after this period, we will only pay the agreed amount at the date of our authorisation of the claim and you will be responsible for the balance of the cost of repairs or replacement increase.

5.34 | The Plan / Contract of insurance

Your application for your Plan, together with this Plan Guide, your Plan Schedule ☹ and all its annexures, form the contract of insurance between us and you. If any detail is not recorded correctly, please let us know as soon as possible as any incorrect information may affect your ability to claim or the payment of a claim under your Plan.

5.35 | Total loss

We have the right to decide when the insured property can be declared a total loss. A total loss is where the cost of repairs plus salvage amounts to more than the insured value of the item at the time of the loss.

If we take ownership of your vehicle as salvage, you remain responsible for any outstanding toll fees, traffic fines, licensing fees and penalties. This may be recovered from you or from any amount we owe you.

5.36 | Transfer and cession

You may not transfer or cede your rights in terms of this Plan to any other person.

06 | How to claim

In an emergency, please contact Discovery 911 on 0860 999 911 for immediate assistance. Please contact your financial adviser or our call centre on 0860 751 751 to notify us of a claim.

6.1 | Your responsibilities when making a claim

You must get a copy of the police report, a copy of your statement to the police (if any) and details of the police station and police case number. We will need these to process your claim.

6.4 | Claims preparation costs

We will pay you back for expenses you incur to get any information or documents that we may need to process your claim. The maximum amount that we will pay you is limited to the amount shown in the Benefit Limit Annexure ☹.

6.9 | Online Vault

You may store all your documents, such as valuation certificates, acceptable proof of ownership and value, as well as important personal documents in your secure Online Vault.

You must keep the original documents, as these may be required at claims stage.

If you, or your financial adviser, have stored all the documents relating to the items of your Portable Possessions claim, the basic excess or chosen basic excess as shown in the Excess Annexure ☹️ may be waived when claiming for a total loss for these items.

This excess will not be waived for documents added after the incident date.

6.10 | Xpress Repairs (Comprehensive option, all Plans)

You must submit your motor vehicle's minor damage claim on www.discovery.co.za or on the Discovery app.

Essential and Dynamic Plans	Classic Plan	Executive Plan

7.4.4 | Write-off accelerator

You may select the percentage of damage at which your motor vehicle will be considered a write-off, following a single event. This percentage is shown in your Plan Schedule ☺. If the cost of the damage to your motor vehicle is more than the selected percentage of its value, you may ask that the motor vehicle be written off. Your motor vehicle must be fitted with a DQ-Track.

Any damage that happened before the write-off event will not be taken into account when calculating the write-off amount.

The repair cost of any pre-existing damage will be deducted from your settlement.

7.4.5 | Credit shortfall

Where we declare your vehicle a total loss after an insured event and there is a gap between the value of the vehicle and the amount that you owe the finance company, we will settle the difference up to the amount as shown in your Plan Schedule ☺, less:

- Any amount refundable to you (in terms of the credit agreement as at the date of loss, not limited to insurance premiums, including short-term insurance, credit life or motor warranty premiums); and
- Any extra amounts added to the principal debt in terms of the credit agreement, including extra equipment which is not specified on your Plan, and any finance charges and interest relating to these extra amounts.
- The maximum amount that we will pay is shown in your Benefit Limit Annexure ☺.

To help us to process your credit shortfall claim, you must:

- Give us proof, information and affidavits that we need to process the claim.
- The costs associated with obtaining this information will be for your own account. If the credit agreement has been terminated for whatever reason, you will not be entitled to receive any benefits.

It is your responsibility to ensure that the benefit is removed from your Plan when it is no longer needed.

7.5 | Optional benefit (Executive Plan only)

7.5.1 | MultiVehicle

This means that the driver, who is the primary driver for more than one motor vehicle covered by this option, is noted and rated, as shown in your Plan Schedule ☹️. Your premium may be discounted if you choose this option and the following applies:

- All motor vehicles covered under this option must be fitted with a DQ-Track.
- None of the motor vehicles covered under this option may be in use at the same time.
- If more than one motor vehicle is in use at the same time, cover is invalidated.

If you intend to use more than one of your motor vehicles at the same time, you must tell us so that the motor vehicles can be appropriately covered.

7.6 | Optional benefit (Comprehensive and Third Party, Fire and Theft option only)

You may enhance your benefit under your chosen Plan to suit your specific insurance needs. If you have chosen this benefit it will show in your Plan Schedule ☹️.

7.6.1 | Extra equipment fitted to the standard model of your vehicle

You must let us know if any extra equipment has been fitted to your vehicle and the specified value that you want to insure this extra equipment for. These may be factory-fitted or non-factory fitted and includes equipment like sound equipment, satellite navigation devices, tow-bars. You will not be covered for any extra equipment unless this has been specified to us and is shown in your Plan Schedule ☹️. Where the equipment was not fitted by the vehicle manufacturer as standard factory-fitted equipment proof of purchase and ownership must be given to us to help us process your claim.

When you buy your vehicle, ask the dealer to give you a full list of the extras that have been fitted to your vehicle and their value, so that these can be included.

7.7 | How much are you covered for after the loss of or damage to your vehicle?

You may choose to insure your vehicle for:

- Market value; or
- Retail value; or
- Retail value booster

You may change this at any time. If your vehicle does not have a readily available retail or market value, you may insure your vehicle on a nominated value basis.

If your vehicle is insured on the nominated value basis it is your responsibility to give us the current retail value of your vehicle at each anniversary. If you do not update the nominated value, it will not change. If the condition of your vehicle worsens after the nominated valuation but before a claim, the amount of compensation may be lower if there is a claim. The value for which your vehicle is insured is shown on your Plan Schedule ☹️.

Vehicles that are registered with SAPVIN numbers or as a Code 3 (for example rebuilt vehicles) have a lower retail value than the published value for that particular vehicle type and will be settled at the lower value.

7.7.1 | How do we calculate the retail, Retail value booster, market or nominated value of your vehicle and specified extras when you claim?

We use an independent trade authority in the motor vehicle industry to determine the retail or market value of your vehicle and any extras you have specified.

- Where there is no retail or market value readily available, or
- Where the retail or market value available is older than six months, we will:
 - Determine the value by taking the average retail value, or market value (whichever one you have chosen), including the specified extras, given by three independent motor industry sources of our choice.
- Where your vehicle is insured on a nominated value basis, we will:
 - Determine a retail value for your vehicle and any extras that you have specified by taking the average retail value given for your vehicle by three independent motor industry sources of our choice.

7.7.2 | Retail and market value

If your vehicle is:

- Repairable – we will pay the cost of the repairs to your vehicle.
- Written off, including stolen or hijacked:
 - We will pay the replacement value of a new vehicle of similar make and model at the date of loss if your vehicle is less than 12 months old from first registration.
 - We will pay the market or retail value at the date of loss, depending on the cover option that you have chosen if your vehicle is older than 12 months.

7.7.3 | Retail value booster (motor vehicle, comprehensive option only)

If your motor vehicle is:

- Repairable – we will pay the cost of the repairs to your motor vehicle.

- Written off, including stolen or hijacked:

- We will pay the replacement value of a new motor vehicle of a similar make and model at the date of loss, if your motor vehicle is less than 12 months old from first registration.
- We will pay the retail value, plus 15% if your vehicle is older than 12 months.

7.7.4 | Nominated value

If your vehicle is:

- Repairable – we will pay the cost of the repairs to your vehicle.
- Written off, including stolen or hijacked
 - we will pay the retail value at the date of loss of your vehicle. The retail value is determined by taking the average of three valuations provided by three independent motor industry sources of our choice.

We will only pay up to the sum insured as shown in your Plan Schedule ☹.

7.8 | Who is allowed to drive the vehicle?

Anyone with a valid driver's license can drive your vehicle, unless otherwise stated and shown in your Plan Schedule ☹.

7.9 | Use of your vehicle

It is important that you insure your vehicle for the correct use. The use of the vehicle is important in determining the risk and the premium you will pay. You must inform us immediately if the use of your vehicle changes.

The use that you have selected is shown in your Plan Schedule ☹️. There are two options that you may select from:

- Private and professional use means you use your vehicle for social and private purposes, including travel between home and your regular place of work and occasionally for business purposes (not more than six occasions in a calendar month). Your cover does not include the carrying of goods for business purposes.
- Business use means that in addition to private and professional use, you can use your vehicle for instances where the vehicle forms an essential part of the performance of any work or function. Your cover includes the occasional carrying of goods for business purposes (not more than six occasions in a calendar month).

If you have insured your vehicle for the incorrect class of use, your claim will be subject to an additional compulsory excess as shown in the Excess Annexure ☹️.

You will not have cover for:

- Commercial travelling, such as couriers, plumbers, electricians, garden services, etc
- Carrying fare-paying passengers
- Giving lifts to passengers for profit
- The carrying of goods for commercial purposes, where income is derived from using the vehicle
- Conducting driving lessons for reward
- Hiring the vehicle out for reward.

7.10 | Further damage after an accident

If your vehicle is in an accident and is used or driven before the repairs have been done, you will be responsible for the cost of repairs for any further damage to the vehicle related to the accident.

7.11 | What is not covered?

You will not have cover:

- If the driver of the vehicle at the time of the event was under the influence of alcohol or drugs
- If your vehicle is hired out or used for reward
- If your vehicle is used for motor racing, rallies, speed trials, track days or other contests
- While your vehicle is in the custody and control of the motor trade for any purpose other than overhaul, upkeep or repair
- If your vehicle is used as an armed response, armed reaction, paramedic or reservist vehicle or any other law enforcement activities

If you use your vehicle for community patrol (Neighbourhood Watch) activities, it is covered, but not for any response or law enforcement activities. You must advise the SAPS or armed response service of an incident and must not put your vehicle purposefully at risk while doing these activities.

- If your vehicle is used or modified for commercial or trade purposes including commercial travelling, couriers or carrying commercial or trade goods
- For wear and tear, mechanical, electronic or electrical breakdowns, failures or breakages
- If you or any person with your permission is driving or towing your vehicle and is not fully licensed to drive
- If you or any person with your permission is driving or towing your vehicle with a licence that is endorsed for drunken or reckless and negligent driving
- For loss or damage from theft or hijack where the vehicle is not fitted with security and/or tracking recovery devices as stated in the Plan Schedule ☹️
- For loss of income
- If the driver of the vehicle refuses to give a breath or blood sample to an official or duly authorised Discovery representative, or where the driver unlawfully leaves the scene of the accident
- Damage to tyres by the application of brakes or by punctures, cuts or bursts

- We do not compensate for liability where you or the driver have insurance or liability cover under any other motor vehicle insurance legislation
- For damages that happened before the start date of cover (pre-existing damages)
- Damage caused directly or indirectly as a result of modifications to the engine to enhance performance of the vehicle
- For prior damage unless the event that caused the prior damage is a valid claim registered separately
- If your vehicle is in an unroadworthy condition
- If your vehicle is cloned
- For any consequential loss except for car hire as detailed in your Plan Schedule ☹️
- Loss or damage that is caused by using the incorrect fuel.

If a licence was issued in a foreign country and in an official South African language, the licence is valid until the holder gets permanent residency or citizenship of South Africa. When the licence-holder becomes a permanent resident or citizen, they have a period of 12 months to convert the licence to a South African driving licence.

It is your responsibility to properly look after your vehicle, especially the condition of important safety equipment such as tyres, brakes, shocks and windscreens.

8.2 | Vitalitydrive – Essential, Classic and Executive Plans

8.2.1 | Who gets the Excess Funder Account and premium refund benefits?

For the purposes of this section, “you” means a Discovery Insure client who chooses the Vitalitydrive benefit and who activates their Vitalitydrive card.

The amount notionally allocated (see the “Important definitions” section) to the Excess Funder Account

LESS the sum of all Excess Funder Account benefit amounts you used to pay for any previous excesses

LESS any amounts you may have withdrawn.

8.3 | Excess Funder Account

You may choose to have your fuel premium refund (see 8.4 below) notionally allocated to your Excess Funder Account. Discovery Insure will match this allocated amount to the Excess Funder Account if you choose this option.

8.3.2 | Excess Funder Account benefit for claims less than your excess

You can also use the Excess Funder Account benefit when your motor vehicle or motorcycle claim is less than any additional excess, whether you chose this or we applied it. However, the claim must be greater than the basic excess you need to pay according to your Plan.

8.3.1 | Excess Funder Account benefit for motor vehicle and motorcycle excess

This allows you to pay for or reduce your total excess on a motor vehicle or motorcycle claim when the claim is higher than the total excess.

We work out the Excess Funder Account benefit available when you claim as:

8.3.3 | Excess Funder Account benefit for a hired car excess

Following an incident with a hired car you may use your Excess Funder Account for the hired car excess payable. You would need to settle the excess and claim it back from us. The excess is determined by the car hire agreement.

8.3.4 | Refund after three years

You have a further benefit as a Vitalitydrive member. You will be allowed to withdraw up to 50% of the value notionally allocated to your Excess Funder Account as a refund anytime after your third Plan anniversary. You forfeit the other 50%. So if your Excess Funder Account has a notional balance of R10 000, you can have R5 000 refunded to you and give up the balance.

This benefit is available to you after every third Plan anniversary. This means, for example, after your third, sixth and ninth year with Discovery Insure, you can get up to 50% of the notional value of the Excess Funder Account at the 3rd, 6th and 9th Plan anniversaries respectively.

We will work out the current notional value of your Excess Funder Account as:

The amount notionally allocated to the Excess Funder Account

LESS the sum of all Excess Funder Account benefit amounts you claimed to pay for any previous excesses

LESS any amounts you may have withdrawn.

8.3.5 | Cancellation

If your Discovery Insure Plan or Vitalitydrive benefit is cancelled at any time by you or us, you will lose the Excess Funder Account benefit.

8.4 | Premium refund based on fuel spend

8.4.1 | If your motor vehicle or motorcycle is insured on the comprehensive option, you will get a percentage refund on your purchase of fuel at the end of each month, as long as you use the fuel network (“your network spend”). The qualifying network spend will be limited by the number of DQ Points you have earned, and your total network spend, whichever is lower.

You may link monthly Gautrain spend by registering the driver’s Gautrain Gold Card number to the driver, as shown in the Plan Schedule ☺.

The premium refund due to you will be paid directly into the bank account from which you pay your premium soon after the end of each calculation period, unless you want the refund notionally allocated into your Excess Funder Account (see 8.3).

8.4.2 | If your motor vehicle or motorcycle is comprehensively insured, you may increase your percentage refund by:

- Taking your motor vehicle or motorcycle to a Discovery Insure approved service provider for an Annual MultiPoint check. You will only get this increased percentage, if you complete and your motor vehicle or motorcycle passes the Annual MultiPoint check, and/or
- Insuring your household contents and/or building for a minimum of R250 000 (supported).

The percentage referred to in 8.4.2 is shown in the table below for the Plan type you have chosen.

Limits					
	Essential Plan		Classic and Executive Plans		Motorcycle All Plans
	Not supported	Supported	Not supported	Supported	Supported
Annual MultiPoint check not passed	Up to 5%	Up to 10%	Up to 10%	Up to 20%	Up to 10%
Annual MultiPoint check passed	Up to 12.5%	Up to 25%	Up to 25%	Up to 50%	Up to 25%

8.5 | Active Rewards with Vitalitydrive

Each primary driver, with Vitalitydrive, will be rewarded for every consecutive 100km of event-free driving through Active Rewards, limited to one reward per week.

Event-free driving is defined as:

- Smartphone-enabled DQ-Track - 4 or 5-Star trips
- Standalone DQ-Track – no harsh acceleration, braking, cornering and no speeding.

Event-free kilometres are determined on a trip basis, which means the following:

- If a trip has a harsh event or is rated a 3-Star trip, the whole trip is discarded.
- As soon as a trip is discarded, your event-free kilometres total is reset to zero.

8.7.1 | Young Adult benefit rewards

Young adults will have 25% of their motor vehicle premiums notionally allocated to their Rewards Fund upfront, at the start of each six month cycle.

At the end of every month and based on the Plan type chosen, the Rewards Fund will be added to or reduced according to the young adult’s Vitalitydrive status as follows:

Essential Plan	Classic and Executive Plans

Drivers can increase their Rewards Fund each month by driving well

Base	-R100	Base	-R200
Neutral	R0	Neutral	R0
Engaged	R25	Engaged	R50
Advanced	R100	Advanced	R200

At the end of every month the Rewards Fund will decrease according to the young adult’s night-time driving kilometres. We will deduct R10 for every kilometre driven between 23:00 and 04:30.

After six months, the balance in the Rewards Fund will be paid into the nominated bank account for the young adult to use as they choose.

8.7.2 | Premium adjustment

These premium adjustments are in addition to their annual premium review at Plan anniversary and will apply for a period of six months only.

8.8 | Vitalitydrive – Dynamic Plan

8.8.1 | Who gets the premium review?

The primary driver’s motor vehicle or motorcycle premium will be reviewed after three months from the start date of cover. This review will be based on the primary driver’s driver performance score (DQ Points).
