CLAUSES AND EXTENSIONS

1. Subsidence and landslip extension to sub-section A (if stated in the schedule to be included)

The following peril is added to the perils applicable to sub-section A – Property:

9. Damage caused by subsidence or landslip provided that the Insured shall bear the first portion of each and every claim up to an amount calculated at 1 per cent of the sum insured on the property or R500 whichever is the greater.

For the purposes hereof, any damage insured shall be deemed to have been caused by fire provided that this extension does not cover:

- i. damage to drains, water courses, boundary walls, garden walls, retaining walls, gates, posts or fences unless specifically insured;

The loss of rent calculation will be based on the rent payable immediately preceding the loss or damage or its equivalent rental value.

3. Security firms (applicable to sub-section D – liability)

Notwithstanding Specific exception 3, if, in terms of a contract with a security firm engaged in the course of the Insured's business (as owner of the premises specified in the schedule) to protect the Insured's property at the premises stated in the schedule, the Insured becomes legally liable for the acts or omissions of the employees of the security firm in the course of their employment at these premises, then this sub-section includes such legal liability to the extent that indemnity would have been granted under this sub-section had the said employees been under a contract of service to the Insured and not the security firm, but not exceeding the limit of liability stated in the schedule for this sub-section.

If, at the time of an occurrence giving rise to a claim, the security firm is entitled to indemnity under any other policy in respect of the same event, the Company shall not be liable to make any payment except in respect of any amount above the amount payable under such other policy.

The amount payable in respect of such fees shall not include expenses incurred in connection with the preparation of the Insured's claim.

5. Capital additions clause

The insurance under this section covers alterations, additions and improvements (but not appreciation in value in excess of the sum(s) insured) to the property for an amount not exceeding 15 per cent of the sum insured thereon, it being understood that the insured undertakes to advise the Company each quarter of such alterations, additions and improvements and to pay the appropriate additional premium thereon.

The insurance under this section includes costs necessarily incurred by the Insured in respect of the demolition of property insured and/or the removal of debris and in providing, erecting and maintaining hoardings required during demolition, site clearing and/or building operations following damage to the property insured by a defined event, provided that the total amount recoverable shall not exceed the sum insured on the property affected.

The Company will not pay for any costs or expenses

1. incurred in removing debris except from the site of such property destroyed or damaged and the area immediately adjacent to such site;
2. arising from pollution or contamination of property not insured by this policy/section.

7. Fire extinguishing charges clause

Any costs relating to the extinguishing or fighting of fire shall be deemed to be damage to the insured property and shall be payable in addition to any other payment for which the Company may be liable in terms of this section provided the Insured is legally liable for such costs and the property insured was in danger from the fire.

8. Mortgagee clause

The interest of any mortgagee in the insurance under this section shall not be prejudiced by any act or omission on the part of the mortgagor without the mortgagee's knowledge. The mortgagee shall, however, inform the Company as soon as any such act or omission comes to his knowledge and shall be responsible for any additional premium payable from the date any increased hazard shall, in terms of this clause, be assumed by the Company.

 - a. the cost incurred in complying with any of the aforesaid regulations;
 - i. in respect of damage occurring prior to granting of this clause;
 - ii. in respect of damage not insured by this section;
 - iii. under which notice has been served upon the Insured prior to the happening of the damage;
 - iv. in respect of undamaged property or undamaged portions of property other than foundations (unless foundations are specifically excluded from this insurance) of that portion damaged;

 - c. the amount of any rate, tax, duty, development or other charge or assessment arising from capital appreciation which may be payable in respect of the property or by the owner thereof by reason of compliance with any of the aforesaid regulations;
2. the work of repairing or rebuilding must be commenced and carried out with reasonable despatch and may be carried out wholly or partially upon another site (if the aforesaid regulations so necessitate) subject to the liability of the Company under this clause not being thereby increased;
3. if the liability of the Company under any item of this section apart from this clause shall be reduced by the application of any of the terms, exceptions and conditions of this section, then the liability of the Company under this clause in respect of any such item shall be reduced in like proportion;
4. the total amount recoverable under any item of this section shall not exceed the sum insured thereby.

12. Reinstatement value conditions

In the event of the property being damaged, the basis upon which the amount payable is to be calculated shall be the cost of replacing or reinstating on the same site property of the same kind or type but not superior to or more extensive than the insured property when new, provided that

1. the work of replacement or reinstatement (which may be carried out upon another site and in any manner suitable to the requirements of the Insured subject to the liability of the Company not being thereby increased) must be commenced and carried out with reasonable despatch, otherwise no payment beyond the amount which would have been payable if these reinstatement value conditions had not been incorporated herein shall be made;
2. until expenditure has been incurred by the Insured in replacing or reinstating the property, the Company shall not be liable for any payment in excess of the amount which would have been payable if these conditions had not been incorporated herein;
3. if, at the time of replacement or reinstatement, the sum representing the cost which would have been incurred in replacement or reinstatement if the whole of the insured property had been damaged exceeds the sum insured thereon at the commencement of any damage to such property by a defined event, then the Insured shall be considered as being their own insurer for the excess and shall bear a rateable proportion of the loss accordingly. Each item of this section (if more than one) to which these conditions apply shall be separately subject to this provision;

4. these conditions shall be without force or effect if
 - a. the Insured fails to intimate to the Company within six months of the date of damage, or such further time as the Company may in writing allow, their intention to replace or reinstate the property;
 - b. the Insured is unable or unwilling to replace or reinstate the property on the same or another site.

13. Temporary removal clause

Except in so far as otherwise insured, landlord's fixtures and fittings are covered while temporarily removed to any other premises including transit by road, rail or inland waterway anywhere within the Republic of South Africa, Namibia, Botswana, Lesotho, Swaziland, Zimbabwe and Malawi

14. Tenants clause

The Company's liability to the Insured shall not be affected by any act or omission on the part of any tenant (other than the Insured) without the Insured's knowledge. The Insured shall, however, inform the Company as soon as any such act or omission which is a contravention of any of the terms, exceptions or conditions of this section comes to their knowledge and will be responsible for any additional premium payable from the date any increased hazard shall be assumed by the Company.

15. Malicious damage extension

If the Company alleges that, by reason of proviso (i), (ii), (iii), (iv) or (v), loss or damage is not covered by this section, the burden of proving the contrary shall rest on the Insured.

If any building insured or containing the insured property becomes unoccupied for 30 consecutive days the insurance in respect of this extension is suspended as regards the property affected unless the Insured, before the occurrence of any damage obtains the written agreement of the Company to continue this extension.

During the period of the initial unoccupancy of 30 consecutive days the Insured shall become a co-insurer with the Company and shall bear a proportion of any damage equal to 20% of the claim before deduction of any first amount payable.

16. Escalator clause extension (if stated in the schedule to be included)

During each period of insurance, the sum(s) insured under sub-section A of this section shall be increased by that portion of the percentage specified in the schedule which the number of days since the commencement of such period bears to the whole of such period. Unless agreed otherwise, these provisions shall only apply to the sum(s) insured in force at the commencement of the period of insurance.

At each renewal date, the Insured shall notify the Company of the sum(s) to be insured for the forthcoming period of insurance and the percentage increase required for such period. In default thereof, the provisions of this clause shall cease to apply.
