3. GENERAL TERMS, CONDITIONS AND EXCLUSIONS

These General terms and conditions apply to all sections of this policy. There are also terms, conditions and exclusions that apply to the specific sections only. Please make sure that you understand all the terms and conditions of this contract.

3.1 You must give us relevant, true and complete information

We base the limits of compensation, the premium and the other terms, conditions and exclusions in this policy on the information that you give to us.

You have the following responsibilities under this contract:

3.1.1 You must give us all material information.

Material information is all the necessary information you must give us so that we can assess the risk and determine the premiums, terms and conditions that we apply to your insured property. If you do not give us full and correct information and the correct information determines that we would not have accepted the risk had we known the true facts, we may treat this insurance as though it never existed and decline all claims.

We will:

- 3.1.1.1 Return your premiums to you.
- 3.1.1.2 Recover any compensation we have paid you in settlement of previous claims; and
- 3.1.1.3 Deduct any expenses incurred in the administration and take-on of your policy from your premiums returned to you.

3.1.2 You must let us know if your information is wrong

You must inform us immediately if any information we have about you and the insured property is not true and complete;

You must inform us immediately about any changes to the information we have about you and the insured property;

You must make sure that we have your correct banking details. If your banking details change, you must inform us immediately. If you do not, your policy may be cancelled if we are unable to collect your premiums.

3.1.3 What we will do if you do not inform us

If you do not fulfil all your responsibilities as detailed above, we may do one or more of the following:

- 3.1.3.1 Not accept your claim.
- 3.1.3.2 Cancel your policy or the item/s on your policy.
- 3.1.3.3 Avoid your policy. Avoiding the policy means that we treat it as null and void from the start date as though it never existed and recover any claims we have settled previously.

3.2 You must understand your policy

3.2.1 Check your schedule

- 3.2.1.1 Your schedule contains important information about your policy, including limits of compensation. It is your responsibility to tell us as soon as possible if any details on the schedule are incorrect.
- 3.2.1.2 You are not insured for an insured event or under a section of this policy if:
- the limit of compensation is left blank, has no amount next to it, or is shown as “nil”, “not applicable” or “not insured”;
 - there is no information under the heading.
- 3.2.1.3 If there is any inconsistency between the schedule and the rest of the policy contract, the schedule applies.

3.2.2 Understand your excesses

For some insured items, you must pay an excess when you claim. The relevant excesses are set out alongside the items in the schedule. Excesses are VAT exempt and are due before we settle the claim. We may deduct your excess from the claim's payment.

3.2.3 Understand the Rand amounts

All limits of compensation and premium amounts shown in the schedule include VAT at the standard rate.

All amounts, including premiums and limits of compensation, are in South African Rand.

3.2.4 Read this General section with all its elements

The General terms, conditions and exclusions apply to this entire policy. There are also terms, conditions and exclusions that apply to the specific sections under this policy, because each specific section is separate and stands alone. Please make sure you understand all relevant parts of this document.

3.2.5 Understand what we do not insure

Make sure that you understand what we do not insure under both the General section and the specific sections that apply to this policy.

3.2.6 Take care of your property

Take all reasonable steps to prevent accident or injury and protect your property against loss or damage.

If you have a claim, you must take all reasonable steps to prevent further loss, damage or liability.

3.3 Pay your premiums

Pay your premium according to the payment method shown in your schedule. We base your premiums on your information and on the limits of compensation shown in the schedule.

The schedule will show if you have a yearly or a monthly policy.

3.3.1 If you have a yearly policy

- 3.3.1.1 A yearly policy means that your policy runs for a period of one year from the start date shown in the schedule. You pay your premium each year in advance. The policy is automatically renewed if you pay your next yearly premium in time.
- 3.3.1.2 For the policy to start, we must receive your premium within 30 days from the start date shown in the schedule. If we do not receive your first yearly premium within the first 30 days after the start date shown in the schedule, we will cancel your policy from the start date as though it never existed.
- 3.3.1.3 You have a period of 14 days from the date you receive your policy contract to decide if you wish to start with the insurance. If you did not have a claim in this period and decided that you do not wish to start with the insurance, we will refund any premiums you have paid. If you want to exercise this cooling-off right, please send us a cancellation notice.
- 3.3.1.4 For the policy to renew, we must receive your premium within 30 days from the renewal date shown in the schedule. If we do not receive your premium in this time, your policy will automatically end from the renewal date.
- 3.3.1.5 You have a period of 14 days from the date you receive your renewal contract to decide if you wish to continue with the insurance. If you did not have a claim in this period and decided that you do not wish to continue with the insurance, we will refund any premiums you have paid. If you want to exercise this cooling-off right, please send us a cancellation notice.
- 3.3.1.6 If there is a total loss from an event or of an item covered under this policy during the period of insurance, you are not entitled to a refund of your premium.

Example:

You have a yearly policy and you insure your car on 1 February. The car is stolen on 1 March of the same year. We will not refund you for the remaining 11 months' premiums you have paid for the year.

3.3.2 If you have a monthly policy

- 3.3.2.1 A monthly policy means that your policy runs for a period of one month and you pay your premium each month in advance. The policy is automatically renewed each month if you pay your next monthly premium within the 15-day grace period from the payment due date.
- 3.3.2.2 For the policy to start, we must receive your premium for the first month on the payment due date. If we do not receive your premium, your policy will not start and no grace period applies.
- 3.3.2.3 For the policy to renew each month, you must pay your premium every month by no later than 15 days after the payment due date.
- 3.3.2.4 If we do not receive your premium on the payment due date, we will debit it again at the next payment due date. If we are able to collect both premiums, your policy will continue. If we are able to only collect one premium, we will settle the oldest debt and your policy will continue. You will still owe us one premium. If we are unable to collect two consecutive premiums, your policy will end automatically from the first payment due date that you did not pay your premium.
- 3.3.2.5 If there is a total loss from an event or of an item covered under this policy during the month, you are not entitled to a refund of your premium for the balance of the month in which there was a total loss.
- 3.3.2.6 If you put a stop payment on your premium, the policy will end automatically from the payment due date that you did not pay your premium.

3.4 Changing and cancelling this policy

3.4.1 Changing the terms of this policy

- 3.4.1.1 You may ask us to change the policy at any time. Any change that we agree to in writing will apply from the time and date of our agreement.
- 3.4.1.2 We may change the terms, conditions and exclusions of this policy by giving you 31 days' notice in writing. We will send you this notice by fax, post or email to the last known address or contact details we have for you.

3.4.2 Cancelling all or part of this policy

- 3.4.2.1 You may cancel this policy or any section of it at any time by letting us know.
- 3.4.2.2 We may cancel this policy or any section of it by giving you 31 days' notice in writing. We will send you this notice by fax, post or email to the last known address or contact details we have for you.

- 3.4.2.3 If either you or we cancel a yearly policy, we will refund you for the period of insurance you have not used.
- 3.4.2.4 If you have chosen SASRIA cover, and all or part of your policy is cancelled, SASRIA cover will automatically be cancelled. Please ensure that you place your Sasria with another insurer.

3.5 How to claim

3.5.1 Refer to specific claim requirements in each section

Some sections may have additional claims processes we require. Please refer to the specific sections of this policy for any additional requirements on claiming under those sections.

3.5.2 Report certain claims to the police

You must report claims that involve crime (for example, theft or malicious damage) and traffic accidents to the police as soon as reasonably possible. You must give us the case number.

3.5.3 Tell us about your claim

- 3.5.3.1 You must give us notice of your claim as soon as is reasonably possible, but no later than 30 days after the incident which gave rise to a claim. If you do not tell us within 30 days, you may lose your right to bring a claim under this policy.
- 3.5.3.2 You must give us within a reasonable time:
- full details of the claim;
 - details of any other insurance you may have for the incident;
 - proof, statements or any other information we ask for;
 - any correspondence or other documents (for example, court papers or legal letters) you have received in relation to the claim.
- 3.5.3.3 You must tell us immediately if there is an incident that may lead to a claim against you. If you do not do so, we may decide not to pay your claim. You must send us copies of all documents (for example court papers or legal letters) relating to the incident.

3.5.4 You must not give out any information

You must not:

- 3.5.4.1 Give out any information unless we give you our written permission.
- 3.5.4.2 Admit you are at fault, whether orally or in writing.
- 3.5.4.3 Make any promises, give or accept any compensation (for example settling excesses with third parties) which may prejudice any recovery rights.

3.5.5 The compensation we give

If you have a valid claim, we may choose one or more of the following ways to give compensation:

- 3.5.5.1 Pay for repair at a repairer of our choice
- 3.5.5.2 Replace the item through a supplier of our choice; or
- 3.5.5.3 Pay cash.

We will decide how we compensate you. Please check the terms, conditions and exclusions for compensation in each section.

You must get our approval before doing any repairs or replacements. If you do not get our approval, we may reject your claim.

If we replace the damaged item by paying you cash or replacing it, the damaged item belongs to us and we have the right to collect it from you. You may not discard or keep any damaged item without our written permission to do so.

3.5.6 Increases after a claim

We will not reduce the limits of compensation shown in the schedule after you had any claim, unless it is specifically mentioned under the relevant section.

However, the premium may be affected. We may choose to wait until the renewal date to increase your premiums or we may ask you to pay a higher premium from the date of the loss or damage.

If you had a large number of claims during the period of insurance, we may choose to do one or more of the following:

- 3.5.6.1 Not renew your policy.
- 3.5.6.2 Cancel your policy.
- 3.5.6.3 Increase your premiums.
- 3.5.6.4 Change the terms and conditions of your policy (e.g., adding additional excesses).

If we cancel your policy or decide not to renew it, you may not be able to get insurance cover from another insurer.

3.5.7 Help to recover compensation

You must give us reasonable help to:

- 3.5.7.1 Take steps against any other person to recover compensation we have given to you.
- 3.5.7.2 Identify and recover any items that have been lost or stolen and have been found.

We will reimburse you for the reasonable expenses you incur in helping us. If you do not give us this help, you must reimburse the compensation we gave.

3.5.8 We may conduct legal proceedings in your name

We may take over and conduct in your name the defence, recovery or settlement of any claim that we have accepted.

3.5.9 If we reject your claim

We may accept or reject all or part of your claim.

3.5.9.1 If we reject your claim, you have 90 days from receiving the rejection letter to object to our decision. You must write to us and give reasons for your objection. If you are out of time, you may not object to our decision.

3.5.9.2 If your objection is not successful, you have 6 months from the end of the 90-day period to serve a summons on us. If you do not summons us in this period, we will have no obligations to you under this policy.

3.5.10 You can contact the Ombudsman

3.5.10.1 We give compensation for all valid claims under this policy honestly, fairly and promptly. If you believe that we have not done so, and you wish to make a complaint, please contact your financial adviser. If you do not have a financial adviser, please contact your local Old Mutual Insure office.

3.5.10.2 If you are still not satisfied, you have the right to contact the Non-Life Insurance Ombudsman. You can find the contact details in the Disclosure notice attached to the schedule.

3.5.10.3 We will abide by any decision made by the Ombudsman.

3.6 Other important terms and conditions to take note of

3.6.1 Changes in premium

We may change your premium at any time. We will write to let you know 31 days before any change.

3.6.2 No interest

You are not responsible to pay interest on premiums. We are not responsible to pay interest on any compensation or any other amounts due to you.

3.6.3 If you have other non-life insurance for the same item

If any item we insure under this policy is also insured by other non-life insurance, we compensate you only for our portion of the claim.

Example:

Your Rolex wristwatch is insured under this policy for R80 000 and under another company's insurance policy for R100 000. This means the proportion your Rolex wristwatch is insured with us is:

$$\frac{80\,000}{180\,000}$$

This means our contribution equals 44%.

Your Rolex wristwatch is stolen and we accept your claim. However, because of the other insurance policy you have, we only pay 44% of the claim.

Other non-life insurance does not apply to the Personal accident, and Identity theft sections.

3.6.4 You may only claim under one section of the policy for each event

We will not compensate you under more than one section of this policy for the same loss or damage that arises from the same event or for the same item. Where there is cover provided under more than one section, you may choose under which section to claim.

3.6.5 Compliance with terms and conditions

We will only pay a claim under this policy if you have complied with the terms and conditions of this policy.

3.6.6 South African law applies

South African law applies to this policy. You agree that only the courts of the Republic of South Africa may deal with any dispute in respect of this policy.

3.6.7 Sharing of information

- 3.7.9.3 Nuclear fission or fusion.
- 3.7.9.4 Nuclear weapons, nuclear explosion.

We do not compensate you for these claims even if another event or cause (regardless of the sequence of events) contributed to the loss, damage, bodily injury or liability.

Example:

There is an explosion at a nuclear plant. The explosion causes a water tower outside the plant to topple. The water flows into your house and causes damage to your carpets. We will not give compensation for this damage.

3.7.12 Cyber Losses

We do not cover loss, damage, liability, cost or expense of whatsoever nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with a cyber incident.

A cyber incident includes:

- any loss of, alteration of, or damage to or a reduction in the functionality, availability or operation of a computer system; a computer system includes computer, hardware, software, communications system, electronic devices including smart phone, laptop, tablet, wearable portable device, server, cloud or microcontroller including any similar system or any configuration of the aforementioned and including any associated input, output, data storage device, networking equipment or back up facility.

4.8.1.4 Cracking, scratching or denting of glassware, furniture, jewellery or other brittle articles.

We cover loss or damage to your contents situated at the risk address shown in the schedule that is caused by power surges following loadshedding and the restoration or reconnection of the electricity supply following loadshedding.

- if the main electrical distribution board of the private home is not protected with a Type 2 surge protection device installed by a qualified electrician in accordance with SANS 10142-1:2008 regulations; and
- If the surge protection device is not maintained in a working order in the event of a valid claim.

A Type 2 surge protection device can prevent the spread of overvoltage in the electrical installations and protects equipment connected to it.

This cover is limited to the amount shown in the schedule for any single event or series of events that are the result of a single incident.

This cover is also subject to the excess shown in the schedule.

4.9 **Special terms and conditions under this section**

4.9.1 **How we will compensate you**

We will compensate you for loss of or damage to your contents by any one or combination of the following:

4.9.1.1 Paying the costs of the loss or damage.

4.9.1.2 Replacing whatever is lost or damaged.

4.9.1.3 Repairing whatever is damaged.

You must get our approval before doing any repairs or replacements. If you do not get our approval, we may reject your claim.

We base the compensation on the replacement value of similar new contents at the time of the loss or damage.

4.9.2 Limits of compensation

4.9.2.1 Your schedule shows the limits of compensation of each event or item we insure. The maximum we will pay for any one claim is the contents limit of compensation shown in the schedule.

4.9.2.2 If you claim for loss of or damage to precious metals, precious stones, jewellery, watches, furs, paintings, rugs or carpets, we will only compensate you:

- up to one third of the Contents limit of compensation; and
- up to the "safe warranty limit" for jewellery and watches not kept in a locked safe when you are not wearing them.

4.9.3 Excess

There is an excess in the schedule for Contents. This is the amount that you must pay before we will compensate you.

This excess does not apply to claims for Tenant's liability.

4.9.4 Countries where you are insured under this section

Cover under this section applies to the Republic of South Africa only.

4.9.5 Make sure you are not underinsured

It is your responsibility to insure all your contents for its replacement value. The replacement value is what it will cost you to replace your contents with similar new items at the time of the loss or damage.

When you claim, we will determine the replacement value you should have insured your property for. If the replacement value is higher than the limit of compensation shown in the schedule, it means you are underinsured. If you are underinsured, we will not compensate you for the full amount of your claim, but only compensate you for the percentage of insurance you bought. We calculate the difference between the replacement value and the limit of compensation and apply this proportionately to your claim. You will be responsible for the difference.

Example:

The replacement value of your property is R 300 000. However, the limit of compensation is R 225 000.

You have only insured the item for 75% of its value.

Now there is R 50 000 damage to the item. We will only compensate you for 75% of the damage, less any applicable excess (i.e. R 37 500 minus the excess). You are responsible for the difference.

4.9.6 You must give proof of ownership

If we ask for it, you must give us acceptable proof that you owned an item, or acceptable proof of its value.

4.9.7 You must give proof of valuation of jewellery and watches

When you claim, you must give us a professional valuation certificate for all insured jewellery and watches. This valuation must have been done before the date of the loss or damage.

If you do not have a valuation certificate, your claim will be limited to the amount shown in the schedule for each item.

4.9.8 You must keep jewellery and watches in a locked safe

You must keep jewellery and watches over a certain value in a locked safe. This is called the "safe warranty limit" as shown in your schedule.

If you are not wearing the jewellery or watch, you must keep it in a securely locked wall- or floor-mounted safe. The keys to your safe must also be kept away, secured, and hidden from sight. We will not compensate you for loss or damage caused by theft or attempted theft for more than the "safe warranty limit" as shown in the schedule if you do not lock the item in a safe while you are not wearing it.

4.9.9 You must give proof of valuation of coins, coin- or stamp collections

When you claim, you must give us a professional valuation for all your insured gold coins, stamp- or coin collections. This valuation must have been done before the date of the loss or damage.

If you do not have a valuation certificate, your claim will be limited to the replacement value of one coin or stamp.

4.9.10 Pairs and sets

We will not compensate you for any additional, special value that an item has because it forms part of a pair or set. We will only compensate you for the proportionate value of the part of the set that is lost or damaged.

This condition does not apply if a single item of a pair or set is lost or damaged and that item cannot be replaced or repaired without replacing or repairing the entire pair or set.

4.9.11 Tell us if you are away for more than 60 days

You must tell us if you intend leaving your private home unoccupied for more than 60 consecutive days in any calendar year so that we can adjust your premium or change the terms of your cover.

If you do not tell us we may adjust your claim amount to compensate for the adjusted premium or apply additional excesses to a claim you may have.

4.9.12 Surveys

We may ask a surveyor to survey your private home at any time.

Based on the outcome of this survey, we may do any one of the following after giving you 31 days' notice:

- 4.9.12.1 Change the terms of your insurance contract.
- 4.9.12.2 Cancel your insurance.
- 4.9.12.3 Treat your insurance as null and void, which means that we will cancel it from the start date of the policy as though the policy never existed.

4.9.13 Security measures

Burglar bars

If you have stated that you have burglar bars on all external opening windows, we will compensate you for theft or attempted theft if entry was gained through the opening window. However, if entry was gained through an external opening window and there are no burglar bars, you must pay an additional theft excess.

The additional theft excess is shown in your schedule.

4.9.14 Increase to cater for the effect of inflation

We increase the limit of compensation under your Contents section each year on the renewal of your policy by a percentage to cater for the effect of inflation. This means that your premiums may also increase.

The percentage increase is shown in the schedule.

It remains your responsibility to make sure that the limits of compensation are sufficient to cover the value of all the insured items under this section.

This cover is limited to the amount shown in the schedule for any single event or series of events that are the result of a single incident.

This cover is also subject to the excess shown next to it in the schedule.

6.9 Special terms and conditions under this section

6.9.1 How we will compensate you

We will compensate you for loss of or damage to your private home by any one or combination of the following:

6.9.1.1 Paying the costs of the loss or damage.

6.9.1.2 Replacing whatever is lost or damaged.

6.9.1.3 Repairing whatever is damaged.

You must get our approval before doing any repairs or replacements. If you do not get our approval, we may reject your claim.

We base the compensation on the replacement value of similar new buildings at the time of the loss or damage.

6.9.2 Limits of compensation

Your schedule shows the limits of compensation of each event or item we insure. The maximum we will pay for any one claim is the Buildings limit of compensation shown in the schedule.

6.9.3 Excess

There is an excess in the schedule for Buildings. This is the amount that you must pay before we will compensate you.

This excess does not apply to claims for Homeowners' liability.

6.9.4 Countries where you are insured under this section

Cover under this section applies to the Republic of South Africa only.

6.9.5 We look after the credit provider's rights

If you have a home loan or bond registered over your private home and you have a claim, we will pay the credit provider first up to the amount of your outstanding loan. If there is any balance, we will pay it to you.

Example:

James buys a house for R 2 000 000 and borrows money to pay for it. The credit provider registers a home loan over the buildings for the full value. James buys insurance for the full value.

James has paid back R 400 000 to the credit provider when his house is destroyed in a fire. James claims from his insurance. We compensate the credit provider for R 1 600 000 and then pay James R 400 000 for the damage, less any excess.

If you act or fail to act in a way that leads to the rejection of your claim, we will still pay the credit provider if:

- 6.9.5.1 the credit provider did not know that you acted in a way that made this insurance invalid.
- 6.9.5.2 the credit provider tells us of your act or omission as soon as it becomes aware of it; and
- 6.9.5.3 the rejection of the claim was not due to fraud, dishonesty, misrepresentation or any event deliberately caused by you or any person colluding with you.

6.9.6 Matching building materials

We do not have a duty to repair your private home to precisely match its previous state, but we will repair it as close as circumstances reasonably allow.

Where we cannot match it exactly, we will use materials that, in our opinion, match the damaged or lost materials as closely as possible.

We will only do this to the part of your private home where the loss or damage has occurred. We will not pay for matching building materials to create a uniform effect throughout your private home.

6.9.7 Compliance certificates

It is a requirement that solar panels and gas installations must be installed and serviced by an accredited service provider.

You must send us the Certificate of compliance from the accredited installer at installation stage or at the start date or renewal date of your policy.

We do not cover you for loss or damage or any injury caused by the solar panels and gas installations if not installed by an accredited service provider.

6.9.8 **Make sure you are not underinsured**

It is your responsibility to insure your private home for its replacement value. The replacement value is what it will cost you to replace your private home with similar new property at the time of the loss or damage.

When you claim, we will determine the replacement value you should have insured your property for. If the replacement value is higher than the limit of compensation shown in the schedule, it means you are underinsured. If you are underinsured, we will not compensate you for the full amount of your claim, but only compensate you for the percentage of insurance you bought. We calculate the difference between the replacement value and the limit of compensation and apply this proportionately to your claim. You will be responsible for the difference.

Example:

The replacement value of your property is R 2 000 000. However, the limit of compensation is R 1 500 000.

You have only insured the item for 75% of its value.

Now there is R 500 000 damage to the property. We will only compensate you for 75% of the damage, less any applicable excess (i.e. R375 000 minus the excess). You are responsible for the difference.

6.9.9 **Tenants' behaviour**

If a tenant living in your private home acts in a way that would make this policy invalid, we will still give you cover under this policy if:

- 6.9.9.1 you did not know of or agree to the tenant's action or omission.
- 6.9.9.2 you tell us about the action or omission as soon as you find out about it; and
- 6.9.9.3 the rejection of the claim was not due to fraud, dishonesty, misrepresentation or any event deliberately caused by you or any person colluding with you.

6.9.10 **Tell us if you are away for more than 60 days**

You must tell us if you intend leaving your private home unoccupied for more than 60 consecutive days in any calendar year so that we can adjust your premium or change the terms of your cover.

If you do not tell us we may adjust your claim amount to compensate for the adjusted premium or apply additional excesses to a claim you may have.

6.9.11 **Surveys**

We may ask a surveyor to survey your private home at any time.

Based on the outcome of this survey, we may do any one of the following after giving you 31 days' notice:

- 6.9.11.1 Change the terms of your insurance contract.

- 6.9.11.2 Cancel your insurance.
- 6.9.11.3 Treat your insurance as null and void, which means that we will cancel it from the start date of the policy as though the policy never existed.

6.9.12 Increase due to inflation

We increase the limits of compensation under your Buildings section each year on the renewal of your policy by a percentage to cater for the effect of inflation. This means that your premiums may also increase.

The percentage increase is shown in the schedule.

It remains your responsibility to make sure that the limits of compensation are sufficient to cover the value of all the insured items under these sections.

6.10 What we do not insure under this section

Under this section, we will not compensate you for any of the following:

6.10.1 Gradual damages

When you do structural building alterations or alterations at your private home, we do not cover any of the following:

- 6.10.3.1 Loss of or damage to glass and sanitary ware (e.g., toilets, sinks and baths) caused by the structural building alterations or renovations.
- 6.10.3.2 Alternative accommodation.
- 6.10.3.3 Rent that you lose.
- 6.10.3.4 Homeowners' liability.

We cover any credit shortfall you may have for your vehicle if the vehicle is financed by a registered credit provider under a financing agreement in terms of the National Credit Act, Act 34 of 2005.

This cover is subject to the following conditions:

- 9.9.1.1 The vehicle must be stolen or hijacked and not physically returned to you or to us; or
- 9.9.1.2 The vehicle must be written off.
- 9.9.1.3 You must give us the following documents within 30 days of the loss or damage:
 - A copy of the credit agreement.
 - A statement of your account showing the outstanding settlement balance at the date of loss or damage.

We do not cover the following amounts:

**Example:**

You buy a car for R 250 000. You take out vehicle financing from a registered credit provider to pay off the car in instalments.

During the vehicle loan repayment period, the vehicle is written off and at that stage you owe the credit provider R 230 000, but your vehicle retail value is R 220 000.

Normally, we would pay the credit provider R 220 000 (less your excess) and you would still owe them the outstanding R 10 000. If you have Credit shortfall cover, we will pay the R 220 000 (less your excess) PLUS the outstanding R 10 000.
